

## LEARNING OBJECTIVES

After attending this skill-based course, the participant will be able to:

Compare and contrast the three Intervention models: Johnson, Systemic, and ARISE

- Discuss all three Levels of the ARISE Model
- Conduct all three Levels of the ARISE Intervention
- Develop and deliver Recovery Messages and mobilize Family Motivation to Change
- Identify various risk-factors and safety issues
- Discuss underlying principles of the Recovery Message, Family Motivation to Change, and the competence/resilience of the family and natural support system
